Dear Sir:

In the absence of President Falconer I beg to acknowledge the receipt of your letter of the 14th inst. asking for a letter of recommendation to President Tory. President Falconer is in Edmonton at the present time and if you addressed a letter to him in care of President Tory I am sure he would comply with your request while he is there.

President Falconer,
University of Toronto,
Toronto.

Dear Dr. Falconer,-

You may remember me from the fact that I was with you at Bellevue Hospital, New York City.

On account of ill health I gave up my work in New York and came to reside here. In the next few months the University of Alberta will begin Pathological training and I am desirous

of obtaining a teaching
position in Pathology or
Histology.

If you would, Sir, please
write me a letter stating
that you are acquainted
with my work at Bellevue
Hospital, as Pathologist to
that institution and also
my standing in the
Dept. of Natural Sciences
1908 at University College, I
would appreciate it very
much.

If you would address it
to Dr. Lorry, Univ. of Alberta
and ask him if he would
consider me as an applicant

for above positions it would be very helpful to me.

Thanking you very kindly for past favors and with every assurance to maintain the best traditions of my Alma Mater I am,

Yours very respectfully

Morton E. Hall
